

## Video Director

### OVERVIEW

The Bridge is a movement for all people to know God, find freedom, discover calling, and make a difference that has grown from 80 to 2,200 since 2008. This growth curve, coupled with our vision to multiply x10 in the greater Nashville area, has created a growing need for engaging video content within the Worship & Creative department.

### ROLE SUMMARY

The Video Director is part of the Worship & Creative department that seeks to come alongside the vision of our church by facilitating a culture where people leave our Worship Gatherings saying, "Surely God is in this place." This person will work "up" with the Creative & Technical Director to shape team vision & strategy, and work "down" with an expanding team of volunteers and future staff to ensure they are being carried out. This person will be over all video content for our church — testimony videos, sermon bumpers, relevant social content, etc — and oversee the video feed for our broadcast campus. This person will build, disciple, and equip the team for future ministry, always prioritizing people over the tools needed to get ministry done.

- Create and upkeep video packages for different service elements
